Shenandoah Valley: Fall package from Stonewall Jackson Hotel

Shenandoah & The Blue Ridge Mountains, Staunton, Virginia | ★★★★★ (0 user reviews)

Why Go:

Full disclosure: I am from Virginia. But that's exactly why you should listen to me: it's time you spent a mellow and colorful few days exploring the Shenandoah Valley. The valley is full of little charming towns, lots of antiquing possibilities, wineries, historic sites galore, and great hiking. The Stonewall Jackson Hotel in Staunton is a grand old place, recently renovated, right in the heart of town. Staunton (ignore the 'u' when you pronounce it) is home to a great farm-to-table restaurant, Staunton Grocery, as well as a theater, university, Woodrow Wilson's birthplace, and a main street out of a picture book. Trust me, y'all will love it.
